WHY CHOOSE US?

The Trenchless pipeline rehabilitation industry is thriving. United Felts manufactures and delivers pipe relining solutions to restore the nation's aging infrastructure without the need for excavation or replacement.

United Felts develops and manufactures a wide range of Cured-In-Place Pipe (CIPP) liners to meet our customer's needs. We are seeking the brightest and best talent to fill a variety of roles.

NOT JUST A JOB...

United Felts offers:

- **Mentoring & Career Advancement**
- **Training & Development Opportunities**
- **Nationwide Locations**

CREATING A SAFE WORKPLACE

United Felts is dedicated to the health and safety of all of its employees and demands strict adherence to the corporate safety programs and guidelines. We also provide training courses, as necessary, to assure all employees are aware of on-the-job hazards. Ultimately, it is the goal of United Felts and its family of companies to have 100% accident-free and injury-free projects.
